Adjunctive treatments

Traditional Chinese exercise therapy (qigong) and dietary advice, cupping, moxibustion, and neuromuscular taping therapy are offered in conjunction with the acupuncture and/or remedial massage, and there is normally no additional charge for these.

Discounts

I can offer treatments at reduced rates to a limited number of patients who would otherwise find it difficult to afford treatment. I can also offer corporate discounts to local companies and other organisations. Details of these are available on request.

In addition, I run various offers throughout the year...

Current Offer

½ hour back and shoulder massage for relaxation for just £20*

**Only offered at The Marlow Club or Sarva IYI; not offered in conjunction with any other offer or discount.*
